

1 November 1966

MEMORANDUM FOR THE RECORD

Morning Meeting of 1 November 1966

DD/I said that the updated bombing evaluation study will be ready for Secretary McNamara on Friday. He noted work in process for Senator Jackson. He asked for DD/S&T participation in preparing a post-mortem for Walt Rostow on the last Chinese nuclear test. DDCI expressed interest in receiving an information copy.

Kent suggested that a pre-USIB meeting would be desirable this week and, in reply to a question, briefed the Director on the Estimates involved.

Houston reported that the Agency's budget letter for FY 67 was signed by Senator Hayden. Houston noted that Senator Tydings will visit Headquarters on 9 November for briefings.

25X1 Houston noted that Bill Woodruff and Bill Darden will visit Headquarters on 8 November. DDCI agreed to host a luncheon for them, and the Director said that he will meet with them in the afternoon following his return from [redacted]

Bross mentioned that Henry Rowen's report on requirements with a covering letter to the Director from Charlie Schultze is in hand. The Director said that the matter can be discussed with Rowen during his visit to Headquarters on Thursday.

Bross said that General McConnell will be presenting General Reynolds with the DSM.

25X1 A-DD/S&T mentioned [redacted]

25X1

25X1 [redacted]
25X1 [redacted] He intends to clear a suitable reply with the DD/P.
The Director agreed.

In reply to a question, George Allen reported on [redacted] health.

DD/P wondered whether the Agency's extensive efforts in connection with the President's trip would not be a suitable briefing item for PFIAB. The Director agreed it would, and Bross suggested that it be placed on the agenda for the 30 November meeting.

DD/P expressed hope that the DDCI would be able to attend the FE Station Chiefs' Conference [] from 5 to 8 December. DDCI was willing, and the Director agreed.

25X1

DDCI noted that he will be absent tomorrow and Thursday.

Following a discussion on SNIE 13-8-66, the Director asked who should look into the matter of breaking out intelligence in order to assure that it gets into the proper hands. DD/I accepted this assignment.

The Director [] on Algeria's desire to purchase wheat. (See Action 1)

25X1

The Director discussed McCloy's visit to Headquarters yesterday.

ACTION:

25X1

1. The Director [] call [] attention to Algeria's desires to purchase wheat from the U. S. and to inform the Director as soon as possible of [] reaction.

25X1
